

Save time and money when you engage your employees with doctor video visits.

Travel and Wait Times

1.5 hours

saved per visit¹

Health Issues

85%

resolved by a video visit²

Employers Save

\$201

per employee visit³

Health Care for the Digital Age

The percentage of Americans who use their smartphone to search the internet for answers to their health-related questions.⁴

The Number of Americans Using Live Video Visits
Is Expected to Grow Exponentially⁵

19.7M

Number of video visits in 2014

158.4M

Projected number
of video visits in 2020

Convenient, Quality Care Means Less Time Away From Work

Right now, your employees can see licensed doctors and providers for minor medical and behavioral health care using live video visits on their favorite device.

By educating your employees about Well Connection, you can help them get care faster, create a healthier workplace, and reduce absenteeism.

The Annual Cost of Absenteeism
for Employers⁶

\$226B

\$1,685

Per employee

Real Doctors. Real Doctor Visits.

Licensed doctors and providers in the Well Connection network have an average of 15 years of experience.

They can look up your employees' medical history, diagnose and treat their symptoms, and prescribe medication,* if necessary.
